SIR,

In acknowledging the receipt of Government Order No. J.1440-48 Pris.60-16-7 dated the 26th October 1917, altering the latest date for the submission of the report on the administration of Jails and Lock-ups in the State from 1st May to 1st April, I have the honor to bring to your kind notice that the time hitherto allowed for the submission of the same was hardly sufficient as the information required for the preparation of statistical statements etc., is to be obtained from a circulatory method i,e, from Police office to Taluk Lock-up office, from Taluk to District office, from District to thi office and hence to Government. Besides, the work in my office is increasing day by day owing to issue of new rules and regulations, according to which the work is to be conducted. The rules lately sanctioned by Government regarding the preservation and destruction of records could not be fully brought into force owing to the shortness of hands. I am intending to send up a proposal to Government for sanctioning a separate record-keeper to this office, whose work is now being done by the Accountant.

2. Under the above circumstances, I represent that it is not likely to be possible to obtain and consolidate the statistics relating to the Prisons Administration Report within the 1st April
